## Maths

Area - Last week we looked at perimeter which was the measure of the outside of a shape. This week we are looking at area which is the measure of the inside of a shape.

Go to Seesaw - watch the video with Trisha to help you understand what area is, it will also help you with today's worksheet. (Worksheet can be completed on Seesaw - it is attached here to print but also attached on Seesaw to complete online if that is easier)

Complete the worksheet (work out the perimeter too if you can). You can submit the worksheet on SeeSaw too if you would like!

#### **What Is Pink?**

By Christina Rossetti

What is pink? A rose is pink

By the fountain's brink.

What is red? A poppy's red

In its barley bed.

What is blue? The sky is blue

Where the clouds float through.

What is white? A swan is white

Sailing in the light.

What is yellow? Pears are yellow,

Rich and ripe and mellow.

What is green? The grass is green,

With small flowers between.

What is violet? Clouds are violet

In the summer twilight.  
What is orange? Why, an orange,  
Just an orange!

## Poem 2

**Summer** by Mohamad Zibadel

Weather gets warmer and fruits riper  
Clothes replaced with the ones lighter

Sun in the sky blazing like a silver ball  
Makes wheat and vegetables to be tall

Every morning breeze shakes the green trees  
Brings us joy and the smell of fragrant leaves

Boiling springs in the heart of high mountains  
Are welcoming the thirsty birds sitting in tens

Farmers' busy time on the fields gathering crops  
Tired bodies sweating look like they stopped the clocks

Harvest season of juicy and watery fruits  
Greatest reason refresh dry and thirsty throats

Children's laughter and playing shouts fill the air  
Up and down, jumping and kicking with no care

Everyone does a job, men bring and chop the logs  
Little children go after one another and play with bugs

### **Gaeilge**

Leigh an scéal “Cluichí ríomhaire leis na blianta” agus freagair na ceisteanna. Tá físeán ann chun cabhrú leat.

(Read the story “Computer games over the years” and answer the questions. There is a video there to help you.)

Bhí ort \_\_\_\_.

Caithim \_\_\_\_ ag \_\_\_\_.

Tá \_\_\_\_ cosúil le \_\_\_\_.

An dtaitníonn \_\_\_\_ leat?

Taitníonn / Ní thaitníonn \_\_\_\_ liom.

**Daideo agus Mamó**

Nuair a bhí Daideo agus Mamó óg, ní raibh aon chluichí ríomhaire ann. D'imir siad Monopoly, Scrabble agus Nathracha agus Dréimírí. Thaitin Monopoly go mór le Daideo.

Tháinig na chéad chluichí ríomhaire amach sna 1970í. Pong an t-ainm a bhí ar chluiche amháin. Cluiche an-simplí a bhí ann. Bhí sé cosúil le cluiche peile.

Chaith mé oícheanta fada ag imirt Monopoly.

Is breá liom Space Invaders fós!

**Daidí agus Mamaí**

Nuair a bhí Daidí agus Mamaí óg, d'imir siad cluichí ríomhaire san ionad siopadóireachta. Thaitin Space Invaders go mór le Mamaí. Bhí ort na Space Invaders go léir a bhualadh. Thaitin Pac-man le Daidí. Tháinig an cluiche sin amach i 1980. Bhí an-ocras ar an Pac-man agus d'ith sé gach rud ar an scáileán sa chluiche.

**Seán agus Síofra**

Anois tá cluichí ríomhaire de gach sórt ann. Imríonn daoine cluichí ar chonsól. Bíonn cluichí ag daoine ar a gcuid fón cliste freisin. Is aoibhinn le Seán agus Síofra Minecraft. Tá sé cosúil le cluiche Lego. Taitníonn cluichí damhsa go mór le Síofra freisin. Uaireanta imríonn siad ar líne lena gcairde.

Anois tá cluichí ríomhaire i ngach áit!

Cén t-ainm a bhí air?

Cén cluiche ríomhaire is fearr leatsa? Scríobh trí abairt faoi.

## B. Fíor nó bréagach?

1. Bhí a lán cluichí ríomhaire ann nuair a bhí Mamó agus Daideo óg.
2. Bhí Pong cosúil le cluiche peile.
3. Thaitin Space Invaders go mór le Mamaí nuair a bhí sí óg.
